

South Hill Parish Council

Regeneration of Children's Play Area

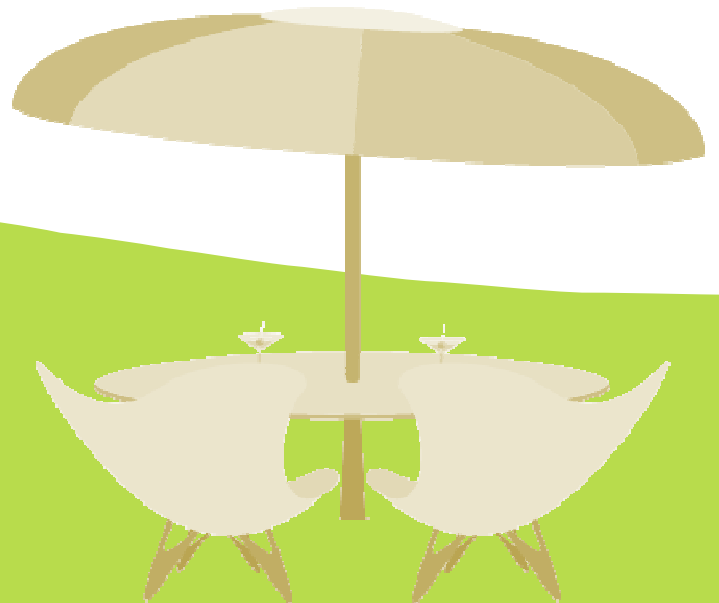

Open Meeting Wednesday 10th March 7:30 p.m.

Golberdon Village Hall Everyone welcome

We need your ideas and help to plan the play area and to help with fund raising, enabling us to source extra grant funding.

The Parish Council has already earmarked money for the project, we now need your help and support to ensure we install challenging equipment.

Please help us to transform the play area for the children of this parish by bringing illustrated suggestions of suitable designs. Further info : 07866361477
